### COURSE DESCRIPTION

The goal of Spanish 3 is to enable students to communicate accurately and appropriately in Spanish at the third level. The program focuses on developing the receptive skills of listening and reading, developing the productive skills of speaking and writing, emphasizing communication in Spanish. Technology is integrated to immerse students in authentic language and culture through the use of video.

### GOALS: (Expected performance outcomes for students)

Mastery of all outlined state standards with a concerted effort made to ensure command of standards identified as high and medium frequency standards on the California Standards Tests.

### California Content Standards

The following abbreviations are included to indicate the assessments used to measure a student’s proficiency in each of the appropriate standards: California Standards Test (CST); California High School Exit Exam (CAHSEE); Practice Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMQST). Standards that are underlined and in bold are identified as high frequency standards on the CST. Standards that are in bold are identified as medium frequency standards on the CST.
