## COURSE DESCRIPTION

Beginning students will acquire the basic skills necessary to function in a variety of real-life situations they may encounter in French-speaking contexts, interactions, and environments. Students will acquire and develop beginning reading, writing, listening, and speaking skills to communicate information about themselves, others, and relevant experiences. Students will utilize the appropriate vocabulary, linguistic components, and grammatical structures necessary to achieve desired tasks. Throughout the course students will be exposed to the various French-speaking cultures and peoples which will include: Geography, History, Art, Traditions, & Current Events. The class will be conducted increasingly in the target language. Students are expected to participate in class activities using the target language as the course progresses.

## GOALS (Expected performance outcomes for students)

- Develop, understand, and use the written and spoken language in a large range of situations & contexts.
- Express ideas, opinions, and feelings orally and in writing.
- Develop basic reading and analysis skills in the target language (L2).
- Understand and use a variety of linguistic and grammatical structures correctly.
- Develop writing skills through various productive contexts in French.
- Develop and utilize various decoding strategies.
- Develop awareness and become familiar with various Francophone cultures and traditions.
CALIFORNIA CONTENT STANDARDS

While current State guidelines are being completed for World Languages, the NMUSD will adhere to National standards & guidelines. Foreign languages and our ability to use them are an effective instrument for international understanding and allow students access into the global community. The World Languages program is dedicated to providing a comprehensive, competitive program for language learners that integrates the “five ‘C’s’ of language acquisition which are aligned with the National Standards, ACFTL Proficiency Guidelines, California Framework for World Languages, and California Standards for the Teaching Profession:

COMMUNICATION - Students present information and exchange ideas about a variety of subjects
   Standard 1.1- Students engage in conversations, provide and obtain information, express feelings and emotions, and exchange opinions.
   Standard 1.2- Students understand and interpret spoken and written French on a variety of topics.
   Standard 1.3- Students present information, concepts, and ideas in French to an audience.

CULTURES - Students acquire knowledge and develop understandings of cultures other than their own.
   Standard 2.1 - Demonstrate understanding between practices and perspectives of Hispanic Cultures.
   Standard 2.2 - Demonstrate understanding of the relationship between the products and perspectives of Hispanic cultures.

CONNECTIONS - Topics integrate disciplines such as history, art, music, and English to reinforce what the student is learning in the school setting with their current language studies.
   Standard 3.1 - Students reinforce and further their knowledge of other disciplines through French.
   Standard 3.2 - Acquire information and recognize the distinctive viewpoints that are only available through the French language and cultures.

COMPARISONS - Students gain insights into languages as they compare their respective use of expressions, conventions, and language structures. Critical thinking skills are challenged with various teaching approaches and techniques.
   Standard 4.1 - Demonstrate understanding of the nature of language through comparisons between French and English. Standard 4.2 - Demonstrate understanding of the concept of culture through comparisons between Hispanic cultures and their own.

COMMUNITIES - Students learn to use the target language within and beyond the school setting
   Standard 5.1 - Use French both within and beyond the school setting.
   Standard 5.2 - Students show evidence of becoming life long learners by using French for personal enjoyment and enrichment.

Evaluation
Student achievement in all 4 receptive and productive language modalities (reading, writing, listening, speaking) will be measured using multiple formal and informal assessment tools, included but not limited to benchmark test results, final exams, end-of-unit tests, quizzes, informal oral/aural/written comprehension checks, homework, class work, notebooks, portfolios, contextualized performance assessments, and written assessments using departmentalized rubrics. District-wide benchmark assessments will be assessed using the following chart:
