Claims
Notice of Claim
Written notice of claim must be given to CG within 30 days after the occurrence or start of the loss on which claim is based. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as was reasonably possible.

Claim Forms
When CG receives the notice of claim, it will give to the claimant, or to the Policyholder for the claimant, the claim forms which it uses for filing proof of loss. If the claimant does not get these claim forms within 15 days after CG receives notice of claim, he will be considered to meet the proof of loss requirements of the policy if he submits written proof of loss within 90 days after the date of loss. This proof must describe the occurrence, character and extent of the loss for which claim is made.

Proof of Loss
Written proof of loss must be given to CG within 90 days after the date of the loss for which claim is made. If written proof of loss is not given in that time, the claim will not be invalidated or reduced if it is shown that written proof of loss was given as soon as was reasonably possible.

Physical Examination
CG, at its own expense, will have the right to examine any person for whom claim is pending as often as it may reasonably require.

Legal Actions
Where CG has followed the terms of the policy, no action at law or in equity will be brought to recover on the policy until at least 60 days after proof of loss has been filed with CG. No action will be brought at all unless brought within 3 years after the time within which proof of loss is required.

Eligibility — Effective Date
Eligibility for Employee Insurance
You will become eligible for insurance on the day you complete the waiting period if:
• you are in a Class of Eligible Employees; and
• you are an eligible, full-time Employee; and
• you normally work at least 20 hours a week.
If you were previously insured and your insurance ceased, you must satisfy the waiting period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Eligibility for Dependent Insurance
You will become eligible for Dependent insurance on the later of:
• the day you become eligible for yourself; or
• the day you acquire your first Dependent.

Waiting Period
The first day of the month following date of hire upon completion of all forms by the District accompanied by the verification of documents.

Classes of Eligible Employees
Each Employee as reported to the insurance company by your Employer, excluding Texas residents.

Employee Insurance
This plan is offered to you as an Employee.

Dependent Insurance
For your Dependents to be insured, you will have to pay part of the cost of Dependent Insurance.
Effective Date of Dependent Insurance
Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form, but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

If you are a Late Entrant for Dependent Insurance, the insurance for each of your Dependents will not become effective until CG agrees in writing to insure that Dependent.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent
You are a Late Entrant for Dependent Insurance if:
• you elect that insurance more than 30 days after you become eligible for it; or
• you again elect it after you cancel your payroll deduction.

CG may require evidence of your Dependent's good health at your expense if you are a Late Entrant.

Important Information about Your Dental Plan
When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:
• CIGNA Dental Care; or
• CIGNA Dental Preferred Provider.
Details of the benefits under each of the options are described in separate certificates/booklets.

When electing an option initially or when changing options as described below, the following rules apply:
• You and your Dependents may enroll for only one of the options, not for both options.
• Your Dependents will be insured only if you are insured and only for the same option.

Change in Option Elected
If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a “Life Status Change.”

If your plan is not subject to Section 125 you are allowed to change options at any time.
Consult your plan administrator for the rules that govern your plan.
CIGNA Dental Preferred Provider Insurance

The Schedule

For You and Your Dependents

The Dental Benefits Plan offered by your Employer includes two options. When you select a Participating Provider, this plan pays a greater share of the cost than if you were to select a Non-Participating Provider.

Emergency Services

The Benefit Percentage for Emergency Services incurred for charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.

Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and CG.

Non-Participating Provider Payment

Non-Participating Provider services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 80th percentile of all provider charges in the geographic area.

Simultaneous Accumulation of Amounts

Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.

Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

Covered Dental Expense
Covered Dental Expense means that portion of a Dentist’s charge that is payable for a service delivered to a covered person provided:
- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the “Benefits Extension” section.

Alternate Benefit Provision
If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment. If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, CG recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits
Predetermination of Benefits is a voluntary review of a Dentist’s proposed treatment plan and expected charges. It is not preauthorization of service and is not required. The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by CG’s dental consultant. If there is a change in the treatment plan, a revised plan should be submitted. CG will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, CG will determine covered dental expenses when it receives a claim. Review of proposed treatment is advised whenever extensive dental work is recommended (when charges exceed $200).

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Missing Teeth Limitation
The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage. This payment limitation no longer applies after 12 months of continuous coverage.

Late Entrant Limit
Coverage for late entrants:
- Class I and Class II services are paid at the amounts set forth in The Schedule.
- All other classes of service are paid at 50% of the amounts set forth in The Schedule.
- After a person has been continuously insured for 12 months, this limit no longer applies.

Covered Services
The following section lists covered dental services. CG may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to CG.

Dental PPO – Participating and Non-Participating Providers
Payment for a service delivered by a Participating Provider is the Contracted Fee, times the benefit percentage that applies to the class of service, as specified in the Schedule.
The covered person is responsible for the balance of the Contracted Fee.

Payment for a service delivered by a non-Participating Provider is the Maximum Reimbursable Charge times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the provider’s actual charge.

Later payments are due at the end of each 3-month period. The first installment is 25% of the charge for the entire course of treatment. The remainder of the charge is prorated over the estimated duration of treatment. Payments are only made for services provided while a person is insured. If insurance coverage ends or treatment ceases, payment for the last 3-month period will be prorated.

Covered Expenses will not include, and no payment will be made for:

- services performed solely for cosmetic reasons;

Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for dental care or treatment:

(1) Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.

(2) Governmental benefits as permitted by law, excepting Medicaid, Medicare and Medicare supplement policies.

(3) Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

(1) An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.

(2) If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.

(3) If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the
basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.

(4) If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period
A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

Reasonable Cash Value
An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules
A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

(1) The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;

(2) If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;

(3) If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:

   (a) first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;

   (b) then, the Plan of the parent with custody of the child;

   (c) then, the Plan of the spouse of the parent with custody of the child;

   (d) then, the Plan of the parent not having custody of the child, and

   (e) finally, the Plan of the spouse of the parent not having custody of the child.

(4) The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

(5) The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

(6) If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

Effect on the Benefits of This Plan
If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. CG will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, CG will determine the following:

(1) CG's obligation to provide services and supplies under this policy;
whether a benefit reserve has been recorded for you; and
(3) whether there are any unpaid Allowable Expenses during the
Claims Determination Period.
If there is a benefit reserve, CG will use the benefit reserve
recorded for you to pay up to 100% of the total of all
Allowable Expenses. At the end of the Claim Determination
Period, your benefit reserve will return to zero and a new
benefit reserve will be calculated for each new Claim
Determination Period.

Recovery of Excess Benefits
If CG pays charges for benefits that should have been paid by
the Primary Plan, or if CG pays charges in excess of those for
which we are obligated to provide under the Policy, CG will
have the right to recover the actual payment made or the
Reasonable Cash Value of any services.
CG will have sole discretion to seek such recovery from any
person to, or for whom, or with respect to whom, such
services were provided or such payments made by any
insurance company, healthcare plan or other organization. If
we request, you must execute and deliver to us such
instruments and documents as we determine are necessary to
secure the right of recovery.

Right to Receive and Release Information
CG, without consent or notice to you, may obtain information
from and release information to any other Plan with respect to
you in order to coordinate your benefits pursuant to this
section. You must provide us with any information we request
in order to coordinate your benefits pursuant to this section.
This request may occur in connection with a submitted claim;
if so, you will be advised that the "other coverage"
information, (including an Explanation of Benefits paid under
the Primary Plan) is required before the claim will be
processed for payment. If no response is received within 90
days of the request, the claim will be denied. If the requested
information is subsequently received, the claim will be
processed.

Expenses For Which A Third Party May Be Liable
This policy does not cover expenses for which another party
may be responsible as a result of having caused or contributed
to the Injury or Sickness. If you incur a Covered Expense for
which, in the opinion of CG, another party may be liable:
1. CG shall, to the extent permitted by law, be subrogated to
all rights, claims or interests which you may have against
such party and shall automatically have a lien upon the
proceeds of any recovery by you from such party to the
extent of any benefits paid under the Policy. You or your
representative shall execute such documents as may be
required to secure CG's subrogation rights.
2. Alternatively, CG may, at its sole discretion, pay the
benefits otherwise payable under the Policy. However, you
must first agree in writing to refund to CG the lesser of:
a. the amount actually paid for such Covered Expenses by
CG; or
b. the amount you actually receive from the third party for
such Covered Expenses;
at the time that the third party's liability is determined and
satisfied, whether by settlement, judgment, arbitration or
award or otherwise.

Payment of Benefits
To Whom Payable
All Dental Benefits are payable to you. However, at the option
of CG and with the consent of the Policyholder, all or any part
of them may be paid directly to the person or institution on
whose charge claim is based.
If any person to whom benefits are payable is a minor or, in
the opinion of CG, is not able to give a valid receipt for any
payment due him, such payment will be made to his legal
guardian. If no request for payment has been made by his legal
guardian, CG may, at its option, make payment to the person
or institution appearing to have assumed his custody and
support.
If you die while any of these benefits remain unpaid, CG may
choose to make direct payment to any of your following living
relatives: spouse, mother, father, child or children, brothers or
sisters; or to the executors or administrators of your estate.
Payment as described above will release CG from all liability
to the extent of any payment made.

Time of Payment
Benefits will be paid by CG when it receives due proof of loss.
Recovery of Overpayment
When an overpayment has been made by CG, CG will have
the right at any time to: (a) recover that overpayment from the
person to whom or on whose behalf it was made; or (b) offset
the amount of that overpayment from a future claim payment.
Miscellaneous
If you are a CIGNA Dental plan member as well as a member of a CIGNA medical plan, you may be eligible for additional dental benefits during certain episodes of care. For example, certain frequency limitations for dental services may be relaxed for pregnant women, diabetics or those with cardiac disease. Please review your plan enrollment materials for details.

Termination of Insurance

Employees
Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.
- the last day of the calendar month in which your Active Service ends except as described below.

Any continuation of insurance must be based on a plan which precludes individual selection.

Temporary Layoff or Leave of Absence
If your Active Service ends due to temporary layoff or leave of absence, your insurance will be continued until the date your Employer: (a) stops paying premium for you; or (b) otherwise cancels your insurance. However, your insurance will not be continued for more than 60 days past the date your Active Service ends.

Injury or Sickness
If your Active Service ends due to an Injury or Sickness, your insurance will be continued while you remain totally and continuously disabled as a result of the Injury or Sickness. However, the insurance will not continue past the date your Employer stops paying premium for you or otherwise cancels the insurance.

Retirement
If your Active Service ends because you retire, your insurance will be continued until the date on which your Employer stops paying premium for you or otherwise cancels the insurance.

Dependents
Your insurance for all of your Dependents will cease on the earliest date below:

- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is canceled.

The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

Dental Benefits Extension
An expense incurred in connection with a Dental Service that is completed after a person's benefits cease will be deemed to be incurred while he is insured if:

- for fixed bridgework and full or partial dentures, the first impressions are taken and/or abutment teeth fully prepared while he is insured and the prosthesis inserted within 3 calendar months after his insurance ceases.
- for a crown, inlay or onlay, the tooth is prepared while he is insured and the crown, inlay or onlay installed within 3 calendar months after his insurance ceases.
- for root canal therapy, the pulp chamber of the tooth is opened while he is insured and the treatment is completed within 3 calendar months after his insurance ceases.

There is no extension for any Dental Service not shown above.

Federal Requirements
The following pages explain your rights and responsibilities under federal laws and regulations. Some states may have similar requirements. If a similar provision appears elsewhere in this booklet, the provision which provides the better benefit will apply.
Notice of Provider Directory/Networks

Notice Regarding Provider Directories and Provider Networks
If your Plan utilizes a network of Providers, you will automatically and without charge, receive a separate listing of Participating Providers.

You may also have access to a list of Providers who participate in the network by visiting www.cigna.com; mycigna.com or by calling the toll-free telephone number on your ID card.

Your Participating Provider network consists of a group of local dental practitioners, of varied specialties as well as general practice, who are employed by or contracted with CIGNA HealthCare or CIGNA Dental Health.

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO
If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined
A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits
Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Coverage of Students on Medically Necessary Leave of Absence
If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.) Coverage will terminate on the earlier of:

a) The date that is one year after the first day of the medically necessary leave of absence; or
b) The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.
A “medically necessary leave of absence” is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that: (1) starts while the child is suffering from a serious illness or condition; (2) is medically necessary; and (3) causes the child to lose student status under the terms of the plan.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution. When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer’s Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.
Federal Tax Implications for Dependent Coverage

Premium payments for Dependent health insurance are usually exempt from federal income tax. Generally, if you can claim an individual as a Dependent for purposes of federal income tax, then the premium for that Dependent’s health insurance coverage will not be taxable to you as income. However, in the rare instance that you cover an individual under your health insurance who does not meet the federal definition of a Dependent, the premium may be taxable to you as income. If you have questions concerning your specific situation, you should consult your own tax consultant or attorney.

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

• that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and

• you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

• 24 months from the last day of employment with the Employer;

• the day after you fail to return to work; and

• the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.
You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Who is Entitled to COBRA Continuation?
Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events
If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension
If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.
To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and

2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

**Medicare Extension for Your Dependents**

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

**Termination of COBRA Continuation**

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

**Employer’s Notification Requirements**

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

**How to Elect COBRA Continuation Coverage**

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before
the due date, you may change your mind as long as you
furnish a completed election form before the due date.
Each qualified beneficiary has an independent right to elect
COBRA continuation coverage. Continuation coverage may
be elected for only one, several, or for all Dependents who are
qualified beneficiaries. Parents may elect to continue coverage
on behalf of their Dependent children. You or your spouse
may elect continuation coverage on behalf of all the qualified
beneficiaries. You are not required to elect COBRA
continuation coverage in order for your Dependents to elect
COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?
Each qualified beneficiary may be required to pay the entire
cost of continuation coverage. The amount may not exceed
102% of the cost to the group health plan (including both
Employer and Employee contributions) for coverage of a
similarly situated active Employee or family member. The
premium during the 11-month disability extension may not
exceed 150% of the cost to the group health plan (including
both employer and employee contributions) for coverage of a
similarly situated active Employee or family member. For
example:
If the Employee alone elects COBRA continuation coverage,
the Employee will be charged 102% (or 150%) of the active
Employee premium. If the spouse or one Dependent child
alone elects COBRA continuation coverage, they will be
charged 102% (or 150%) of the active Employee premium. If
more than one qualified beneficiary elects COBRA
continuation coverage, they will be charged 102% (or 150%)
of the applicable family premium.

When and How to Pay COBRA Premiums
First payment for COBRA continuation
If you elect COBRA continuation coverage, you do not have
to send any payment with the election form. However, you
must make your first payment no later than 45 calendar days
after the date of your election. (This is the date the Election
Notice is postmarked, if mailed.) If you do not make your first
payment within that 45 days, you will lose all COBRA
continuation rights under the Plan.

Subsequent payments
After you make your first payment for COBRA continuation
coverage, you will be required to make subsequent payments of
the required premium for each additional month of
coverage. Payment is due on the first day of each month. If
you make a payment on or before its due date, your coverage
under the Plan will continue for that coverage period without
any break.

Grace periods for subsequent payments
Although subsequent payments are due by the first day of the
month, you will be given a grace period of 30 days after the
first day of the coverage period to make each monthly
payment. Your COBRA continuation coverage will be
provided for each coverage period as long as payment for that
coverage period is made before the end of the grace period for
that payment. However, if your payment is received after the
due date, your coverage under the Plan may be suspended
during this time. Any providers who contact the Plan to
confirm coverage during this time may be informed that
coverage has been suspended. If payment is received before
the end of the grace period, your coverage will be reinstated
back to the beginning of the coverage period. This means that
any claim you submit for benefits while your coverage is
suspended may be denied and may have to be resubmitted
once your coverage is reinstated. If you fail to make a
payment before the end of the grace period for that coverage
period, you will lose all rights to COBRA continuation
coverage under the Plan.

You Must Give Notice of Certain Qualifying Events
If you or your Dependent(s) experience one of the following
qualifying events, you must notify the Plan Administrator
within 60 calendar days after the later of the date the
qualifying event occurs or the date coverage would cease as a
result of the qualifying event:
• Your divorce or legal separation;
• Your child ceases to qualify as a Dependent under the Plan;
or
• The occurrence of a secondary qualifying event as discussed
under “Secondary Qualifying Events” above (this notice
must be received prior to the end of the initial 18- or 29-
month COBRA period).
(Also refer to the section titled “Disability Extension” for
additional notice requirements.)
Notice must be made in writing and must include: the name of
the Plan, name and address of the Employee covered under the
Plan, name and address(es) of the qualified beneficiaries
affected by the qualifying event; the qualifying event; the date
the qualifying event occurred; and supporting documentation
(e.g., divorce decree, birth certificate, disability determination,
etc.).

Newly Acquired Dependents
If you acquire a new Dependent through marriage, birth,
 adoption or placement for adoption while your coverage is
being continued, you may cover such Dependent under your
COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

**COBRA Continuation for Retirees Following Employer’s Bankruptcy**

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

**Trade Act of 2002**

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact/2002act_index.asp.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

**Notice of an Appeal or a Grievance**

The appeal or grievance provision in this certificate may be superseded by the law of your state. Please see your explanation of benefits for the applicable appeal or grievance procedure.

**The Following Will Apply To Residents of California**

If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

**Level Two Appeal**

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by CG's Dentist reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review.
